ADDITION OF \$3,000.000
(Continued from Page One)
will house three large diesel-driven pumps, providing a capacity of 1,160,000 gallons a minute.

As a part of the contract, the successful bidder will be required to install the three government-furnished pumps and engines, provide connecting channels and embankments, and install electrical operating equipment for remote control of Hurricane Gate No. 3. The pumping station is to be built in the Okeechobee levee along side the hurricane gate.

The North New River Canal, extending from the Bolles Canal to Lake Okeechobee, a distance of 6.2 miles. It is one of the feeder canals for Pumping Station 2, now under construction in the Okeechobee levee near Belle Glade.

The construction of Levee 2 actually consists of widening and deepening the existing canal, and forming the excavated material into a levee embankment paralleling the canal. The improvement will require the excavation of about 1,393,000 cubic yards of material.

Work on Levee 2 is expected to begin the first part of October. Levee 2 is the north end of the Okeechobee.

Army Engineers estimate completion of the work within about 15 months.

With the start of construction of Levee 8 of the Central and Southern Florida Flood Control Project this month, Army Engineers will have under construction nearly all of the 8-million-dollar, 100-mile-long levees which will enclose the Okeechobee Agricultural Area.

The only sections remaining to be put under contract are a 5-mile stretch at the southwest edge of the area, designated L-4 and L-5 on the accompanying map, and the south end of Levee 1 which lies in the Caloosahatchee Canal west of Lake Okeechobee.

The agricultural levees will enclose a 1100-square-mile area of rich agricultural lands south of Lake Okeechobee. These levees, together with seven large pumping stations and their feeder canals will provide flood-and-water-control for the entire area.

The engineering levees are designed to withstand hurricanes and wind-tides which may occur in the conservation area pools to the south and east of the levees. Snodgrass said. "And the pumping stations and their feeder canals are designed to rapidly transfer floodwater from the farm lands to the conservation pools or to Lake Okeechobee," he added.

Construction of the levee encirclement began in April 1951 with the eastmost of the levees, designated L-3 on the accompanying map. The complete encirclement will require the excavation and embankment of about 14,600,000 cubic yards of sand, shell, rock, and marl.

Completion of four of the pumping stations, their feeder canals, and the encircling levee—estimated at two years—will result in adequate flood protection for that part of the Okeechobee Agricultural Area which is now in production, according to Snodgrass.

BAPTIST JUNIORS ENJOY SUNDAY SCHOOL PARTY
Mrs. J. S. Smith's 10-year-old Juniors in the Baptist Sunday School enjoyed a park party Friday afternoon after school. Children attending were Joan Mann, Susan Willis, Mary Lea Little, Esther Leathlean.

NEWS NOTES FROM OSCEOLA CENTER
Monday, Ginny, the pet burro of the Ted Irvin family, spent the day visiting Osceola's first grade and the Nursery. The children adored Ginny, and the little burro responded to the children's friendship with interest, affection, and patience. The Irvin's brought Ginny back with them from their summer trip to Arizona.

Julian Griggs left Thursday for a Regional Youth Cabinet meeting at New Windsor, Md. In Jacksonville he was joined by Dale Motes who is District President of the Florida Church

NOTHING IN FRONT OF YOU BUT FRESH AIR!

SOCIETY

KATHLEEN LIVINGSTON, Society Editor
Office Phone 2055 Home Phone 2833

All social notes and items of social interest should be communicated before noon Wednesday to insure publication the following Friday.

Mrs. Clara Gledhill returned Monday after visiting relatives during the summer in Warren, Ohio, and Jamestown, N. Y. During her stay she also attended a reunion of CLC in Chautauque, N. Y. On Tuesday she went to West Palm Beach and will spend a month with her sister at Lake Court Apts.

Mr. and Mrs. C. J. Aspey of Chozen, were guests over the weekend of Mr. and Mrs. George Gillen in Coral Gables.

Mrs. T. E. Strickland returned Thursday from a business trip to Lake Wales, Wauchula and Sebring.

Mr. and Mrs. Ralph Steele left Tuesday for their home in Cincinnati, Ohio, after visiting his brother, Rex Steele and family. They made a special trip to see their niece, Janie Steele, Head Majorette in the High School Band, perform at the football field last Friday night.

Dinner guests on Sunday of Mrs. Rosa Nash were her brother-in-law and sister, M-Sgt. and Mrs. James Mayton and children of Orlando. They were enroute to LaBelle.

Mr. and Mrs. Edward Allen spent the weekend at the Dixie Court Hotel in West Palm Beach.

Miss Elaine McCabe left Tuesday for Washington, D. C., to continue her studies at Catholic University. She is the daughter of Mr. and Mrs. E. A. McCabe.

Mrs. J. W. Thorne of Bradenton is visiting her son and daughter-in-law, Mr. and Mrs. Jack Thorne.

Mrs. Grace Smith is visiting relatives in Richmond, Indiana.

Mr. and Mrs. Pat Brent and daughter Wanda and guest Louise Taylor attended the Florida-Georgia Tech game last Friday.

Miss Dorothy Kidder spent the weekend with her parents, Mr. and Mrs. Ralph Kidder. She is a student at Channon-Williams Business College in Miami.

Miss Patti Ingram was weekend guest of her parents, Mr. and Mrs. W. S. Ingram. She is stewardess with National Air Lines with headquarters in Miami.

George Owens and Milton Carpenter flew to Gainesville for the Gator-Georgia Tech game last week.

Mrs. Fay Chapman, Mr. and Mrs. Floyd Ellis and Carl Wilson spent the day fishing at Jensen Beach on Sunday. The foursome enjoyed a fish fry Tuesday evening at the Ellis home.

Party Compliments

Mrs. Dalton Harrison entertained at a "Coke" party last Wednesday afternoon at her home at the Everglades Experimental Station complementing Mrs. Reginald Lewis a newcomer to the station.

Mr. and Mrs. Lewis moved here from Fort Myers. He is a graduate of the University of Florida and is herdsman at the station.

Cokes, cookies and mints were served by the hostess to wives of the station personnel.

Davy Crockett Party

Given Douglas Odom

Douglas Odom, celebrated his ninth birthday last Wednesday afternoon when his mother, Mrs. W. D. Odom entertained at a "Davy Crockett Party" at her home on East Lake Road.

A birthday cake, iced in a Davy Crockett theme, with nuts and mints were served to the 23 guests present. Each guest was also presented with a Davy Crockett hat.

Averill Home Scene

Of Sorority Party

The home of Mrs. Grant Averill, 601 S.E. First St., was the scene of a "Come As You Are" party for members of the Sigma Phi and their guests.

Mrs. Francis F. Cross, Jr., president, presided over a brief business meeting preceding the party.

Mrs. J. E. Jones, official hostess for the sorority was in charge of the program for the guests. A recording was heard on part of the silver jubilee celebration, the aims and benefits derived from membership and aims and purposes of the order, by the founder of the present organization, Walter W. Ross, Kansas City, Mo. The recording included the Beta Sigma Phi, "Song of Friendship," and a number of vocal selections.

Mrs. George Wedgworth, social chairman, assisted by members of her committee, conducted games which were enjoyed by all. Mrs. A. F. Henson, sorority director, was the prize winner for the most beautiful party in her costume.

Guests present were Mrs. Thomas Baker, Mrs. William Graber, Mrs. Ted Roman, Mrs. Roy Brown, Mrs. Alfred Vadasz, Mrs. Howard Woodham, Miss Willie Mae Kelsoe, South Bay. Others present were Mrs. Rosa Nash, Mrs. E. F. McAllister, Mrs. T. Bell, Mrs. J. G. Abbott, Mrs. Claude Jones, Mrs. Tommy Chappell, Mrs. Milton Carpenter, Mrs. Lorenzo Connell, Mrs. Louis Kirchner, Mrs. George Wedgworth, Mrs. Earl Lindrose, Mrs. Robert Abel, Mrs. Glenn Ahling, Mrs. Sam Lovell, Mrs. John Munroe and Mrs. Clyde Clayton.

Beller-McWhorter

Mr. and Mrs. R. L. Perry, Atlanta, Ga., announce the marriage of their daughter, Mrs. Beller-McWhorter, to Mr. Charles L. McWhorter of Belle Glade.

The wedding took place at the Perry home in Atlanta on Sept. 15.

Immediately after the ceremony the couple left for the Smokey Mountains in Tennessee. They returned to Belle Glade last Tuesday and will make their home here.

WHAT IT IS

The American system of free enterprise is everyone's business. Its success may be a matter of life or death to everyone. It will survive only so long as every one of us strives sincerely and understandingly to improve and perfect it.

An egotist is one who thinks if he hadn't been born, people would wonder why.

The examination will be given for the positions of Grade 4 Patrolman and Grade 4 Police Officer. All Civil Service rules and regulations will apply. SERVICE BOARD. Pub. Sep. 28, 1955.

Shirley Campbell Becomes Bride Of Floyd Galus In Episcopal Ceremony

St. John's the Apostle Episcopal Church of Belle Glade was the setting for its first wedding Tuesday night, Sept. 20, at eight o'clock when Miss Shirley Campbell became the bride of Floyd Galus in a double ring ceremony performed by Father John Clarence Petrie, Acolytes were Kent Bell and Richard Chappell.

The altar was decorated with potted palms, candelabra and two standing baskets of white hibiscus and carissa. The chancel was entwined with white hibiscus and ferns as were also the pews set aside for the wedding guests.

Miss Marianne Womack played nuptial music and Mrs. Mary Anderson sang, "Because" and "I Love You Truly."

The bride given in marriage by her father, Jesse C. Campbell, wore a princess style white satin wedding gown with train and long pointed sleeves, a finger-tip veil of illusion caught to the head with a lace crown ornamented with seed pearls. Her only ornament was a strand of pearls and she carried a white prayer book topped with a white orchid and showered with satin ribbon streamers.

Mrs. Grant E. Averill was matron of honor. She wore a soft gray taffeta cocktail frock with black accessories and a corsage of pink carnations.

Noel Campbell, brother of the bride, was best man. The bride's mother chose a bronze frock with pink cast, black accessories and a pink carnation and net corsage. A reception at the home of Mr. and Mrs. Grant E. Averill followed the ceremony. The bride's table was laid with a

white damask cloth with white satin streamers to the front corners. It was centered with a silver bowl with an arrangement of white gladioli, white chrysanthemums and white hibiscus, flanked on either side by a three-pronged silver candelabra, the center candle of which was hand decorated with white wax roses and lilies of the valley.

The three-tiered wedding cake topped with a shell like wedding bell housing a miniature bride and groom occupied one end of the table and a chrysalis punch bowl the other end.

Mrs. Lee Puckett poured and Mrs. A. F. Henson cut and served the cake. Mrs. Frank Anderson was in charge of the bride's book.

The many lovely wedding gifts were on display on the gift table, which was laid with a cut work linen cloth, on the sun porch.

The bride is a native of south Florida, attended the South Bay schools and is a graduate of the Belle Glade High School and the Palm Beach Junior College, where she majored in art. She is a member of the Sigma Eta Sorority of Pine Arts.

For a number of years past she has been employed at the Okeelanta Sugar Refinery where she was secretary to A. F. Henson. Mrs. Henson planned all floral arrangements for both the church and the reception and executed them with the assistance of Mrs. Lon Adams and Mrs. Edna Barrett of Canal Point, sorority sisters of the bride.

The bridegroom operates the South Bay Flying Service and

dropt dusts in the Glades, Louisiana and Arkansas. The young couple left immediately for Woggette, Arkansas to finish out the season there before returning to South Bay to make their home.

Children need models more than they need critics.

Body Of Lynn Infant Sent To Georgia
Gail Lynn, one-day-old infant daughter of Mr. and Mrs. James Floyd Lynn, of Osceola Camp, died at the local hospital, on Tuesday, Sept. 27.

Other survivors besides the parents are two sisters, Susie and Judy Lynn. The body was sent to Lyons, Ga., for burial. Wetherington Funeral Home was in charge of arrangements.

Superior IS GOOD FOOD

Stop heavy damage by potato pests

WITH Aldrin

Now you can control the heavy damage caused in your potato fields by wireworms, grubs, and rootworms.

Just spray or dust the soil with aldrin. Double the dosage in peat or muck areas. Then harrow the soil immediately, mixing aldrin with 3 to 6 inches of topsoil.

• **ECONOMICAL**—A single aldrin treatment will last for at least a year.

• **KILLS FAST**—Powerful and rapid—and you get all-season protection.

ALDRIN IS NOW RECOMMENDED BY EXPERIMENT STATIONS FOR USE ON EVERY IMPORTANT VEGETABLE CROP IN FLORIDA.

See your local FASCO dealer for further information. Or write Florida Agricultural Supply Company, Box 658, Jacksonville, Florida. Ask for ALDRIN—distributed by . . .

NEW TOWER AND CROSS atop the Community Methodist Church can be seen for several miles gleaming in the sun, a distance of 100 feet from the ground. The picture was made after the 30-foot, tower of stainless steel was hoisted into place last Friday morning. A 34-ton crane with a 110-foot boom and crane weighing 30 tons, was used in the operation, which required five or six hours. Additional 5 1/2-foot Monell cross is not shown in picture.—(Herald Photo)

Presbyterian Churches Hold Regular Meeting

The three circles of the Everglades Presbyterian Church held regular monthly meetings on Tuesday.

Circle I met at the home of Mrs. R. S. Cox at the Experiment Station Tuesday evening. David Motte gave the devotional and Mrs. Helen Moore gave the talk about on "Reaching People for Christ."

Mrs. M. E. Ludlow was in charge of Bible Study, "Salvation for All People." Eight members were present.

Circle II met at the home of Mrs. Hagan Powell with Mrs. Lois Ruff giving the devotionals and Mrs. Leighton Scott, the Bible study. Mrs. Ed Browning had the talk about on "Church Extension." Eight members were present.

Circle III met Tuesday morning at the home of Mrs. I. L. Price. Mrs. Irvin Zumpf gave the talk about on "Reaching People for Christ."

ADDITIONAL CHURCH NEWS ON PAGE SEVEN

People for Christ," and Mrs. Robert Roadman gave the Bible study, "Salvation for All People." Mrs. W. K. Whitlock was in charge of devotions.

Eleven members were present and one visitor.

Churches of Christ, Scientist How spiritual understanding of divine law brings freedom from discord of every kind will be explained at Christian Science services Sunday.

Keynoting the Lesson-Sermon "Are Sin, Disease, and Death Real?" is the Golden Text from Romans (8:2): "The law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death."

The importance of coping with sin is emphasized in selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (315:16): "The likeness of God we lose sight of through sin, which beclouds the spiritual sense of Truth; and we realize this likeness only when we subdue sin and prove man's hereditary sin the liberty of the sons of God."

Readings from the Old and New Testaments of the Bible will include Christ Jesus' parable of the prodigal son (Luke 15).

South Bay Baptist S.S. Has Record Attendance

Rev. John Cooper reports an attendance at Sunday School of the South Bay Baptist Church Sunday of 163, almost a record attendance.

Two units of the Sunday School have met all requirements for Standard of Excellence and made application to the state office in Jacksonville for Standard Recognition certificates. They are the primary department, Mrs. W. M. Jeffries, superintendent and beginners department, Mrs. A. B. Barnes, superintendent.

The Big Lake Association will meet at the South Bay Baptist Church on Thursday in an all day session with a dinner at noon. Rev. John Whitt, district missionary with headquarters at Sarasota is scheduled as speaker.

The annual Big Lake Association meeting will be held in two-day session. On Thursday,

Oct. 13, the meeting will be at LaBelle starting at 3:30 p.m. Rev. John Cooper, South Bay pastor, will deliver the annual association sermon at the afternoon session. Rev. Jack Epps will be the evening speaker. The emphasis of the meeting will be on "Youth."

Friday, Oct. 14 there will be an all day meeting at the First Baptist Church of Clewiston. A team representing all the state will make their reports on state during the morning session.

Sunday, Oct. 9, will be Layman's Day at the South Bay Baptist Church and the Men's Brotherhood will be in charge of the morning service. Details will be completed at the Brotherhood meeting Thursday night.

VICAR OF ST. JOHN'S ATTENDS CLERICS

The Rev. John Clarence Pelt, vicar of St. John's the Apostle Church, Belle Glade, attended the first clerics of his fall at St. Mary's Church, on Monday.

The rector, the Rev. G. P. Huntington, opened the session by celebrating Mass after which the business was transacted. A paper on the proposed changes in the Baptismal and Confirmation services in the Book of Common Prayer, was read by the Rev. William W. Lillycrop, assistant at Holy Trinity, West Palm Beach.

Episcopalians To Have Sunday Night Supper

The congregation of St. John the Apostle Church and their friends will have a covered dish supper Sunday in the church building at 6 o'clock. Arrangements are in the hands of a committee appointed by Mrs. Thomas Bregger, president of the Women's Auxiliary. The purpose is purely social enabling the members and friends to become more closely acquainted.

FELLOWSHIP DINNER IS HELD BY EPISCOPAL MEN

The Palm Beach Deanery of Episcopal Men held a fellowship dinner Tuesday at St. Paul's Church, Delray Beach. The speaker was Fr. Connolly of Tampa and the honored guest was Bishop Barn, suffragan of the diocese. Slides were shown of the recent General Convention at Honolulu.

A delegation of men from St. John the Apostle Church attended.

WCS Circles Hold Monthly Meetings

The five circles of the Women's Society of Christian Service of the Community Methodist Church at their meetings last week.

The Star Circle met at Jameson Hall Tuesday night with the chairman, Mrs. F. C. Schoenfeld presiding.

Mrs. Herman Close gave the devotional and Mrs. Emil Wolf gave the program on "The 15th Anniversary of the WCS." Year books and boxes for missionary fund were distributed to members. Refreshments were served by the hostess, Mrs. Malcolm Besdole. The group at that time mended the robes of the Lyrice Choir.

Others present were Mrs. James Wiergen, Mrs. Culley Collins, and Mrs. Frank Close as a visitor.

The Joy Circle met at the home of Mrs. Fred White, chairman who presided. Mrs. John Schoenfeld gave the devotion and Mrs. White had charge of the program in the form of a testimonial to subjects of the WCS.

Christmas cards were on display and the group discussed this project to purchase more playing equipment for the church nursery.

Others present were Mrs. Bill Carter, Mrs. Aubrey Arnold, Mrs. Verne Bots, and Mrs. George Dunsen. The Ruth-Naomi Circle met at the home of Mrs. E. Garrett, with Mrs. Dunsen as visitor. Chairman, presiding, Mrs. Garrett gave the devotion. She was assisted on the program by Mrs. James Ball.

Four guests were present: Mrs. Vernon Powers, Mrs. Hershel Young, Mrs. Fredlund, Mrs. Mildred Hancey, Mrs. D. W. Harris, Mrs. W. R. Hooker, Mrs. W. D. Roth, Mrs. Ruth Wedgworth, Mrs. Thelma Stevens and Mrs. Frank Dooley.

The next meeting will be held home of Mrs. Mildred Hancey.

The Mary-Maria Circle met at the home of Mrs. Martha Freeman, with Mrs. Herbert Beck presiding. Mrs. N. T. Taylor gave the devotion and Mrs. Beck had the program on "Review of the Confessions of St. Augustine," in the first chapter of the Study Book.

Others present were Mrs. George Royal, Mrs. F. E. Hollingsworth, Mrs. Ivan Van Horn and Mrs. Hugh J. Bratley.

The Morning Circle met at 10 a.m. Tuesday at the home of Mrs. John Hooker in Chosen. Mrs. Robert Powers gave the devotion and the chairman, Mrs. E. Y. Creech presided over a brief business meeting.

Mrs. George LeCot gave the program on "Federal Agricultural Organization." Six members were present.

Institutions of learning and progressive religion light their fires in every home.

HOW CHRISTIAN SCIENCE HEALS

"WHY KNOWING THE TRUTH MAKES FREE"

9:00 a.m. Sundays

THOUGHT FOR THE DAY

I put my faith in the living Christ who gave His life for me.

Febe A. Garan (Philippines)

Go to Church Every Week

By U. W. MALCOLM, President
Belle Glade Ministerial Association

Do you have unanswered questions? How many do you have? Over and over again man has been seeking answers to his questions and problems. The answer is God. An eighty-five-year-old Christian woman dying with cancer said to her pastor, "God has given me everything for which I have asked." There was something in her saintly voice that led your scribe to write the secret to that strange statement. Her explanation as only a child of God could give was a blessing to her pastor. She said, "I have never known God for anything I wanted, only the things I needed." The answer is God. Will you attend the church of your choice? There are many churches in Belle Glade. They welcome you.

First Baptist Juniors Receive 23 Members

The Junior Department of the First Baptist Church received 23 new members from the Primary Department last Sunday morning.

Kenneth Royston ushered the new pupils to seats marked by red, white and blue crepe paper. Junior leaders pinned tags in Junior colors of red, white and blue giving the Aim of the Department, "A Whole Life For Christ," on each new member.

Those promoted to the Junior department were: Joyce Dodson, Martha Lynn Brown, Roba Brown, Cherry Bridges, Kathy Clark, Nancy Norman, Rachel Collier, Fay Lane, Green Dove, Jeannette Whitaker, Martha Burns, Bobby Garner, Evelyn Harris, Joy Whitehead, Barbara Motte, Cara Mercer, Gail Garren, Skipper Schofield, Sidney Jones, Michael Harris, Henry Nestor, Roy Lee Nicks, Edwin Clapp.

The program for the morning was, "Getting acquainted with our workers," in the form of a quiz, when all the teachers and workers for the new year were introduced. They are: Mrs. Gladys Jones, secretary, Mrs. Jerry Unwin, Mrs. Letha Rice, Mrs. Kaitlyn Harris, Mrs. Josephine Hayes, Mrs. C. Figueroa, Mr. Vernon Jones, Mr. S. M. McAllister, Mr. Mosely, Mr. T. E. Hollingsworth, Mr. C. Figueroa, and Mrs. Gladys Jones, secretary, Mrs. George Hudspeeth, assistant secretary, Mrs. Vivian Hayes and Mr. G. W. McClure substitute teachers.

The program was closed by the singing of the hymns by the workers standing around the assembly with hands clasp and sang "Blest Be The Tie," as the closing prayer.

Bobby Thomas, Kenneth Roy, Sharon Bear and Beverly Kirkland were ushers for the morning. Susan Clark was pianist.

Layman's Day To Be Observed By Baptists

Baptist Churches throughout the Southern Baptist Convention will observe Layman's Day this Sunday, October 30. Activities of the Laymen will be magnified and Laymen will have charge of both the Sunday worship services. First Baptist in Belle Glade will cooperate in this Southwide effort. Dr. Tommies Forsee and Mr. Ellis Layman will bring Laymen's messages in the morning service. Special music will feature a men's quartet. You are invited to worship in this service which will honor the Laymen.

Sam Patterson, Negro Killed In Accident

Sam Patterson, Belle Glade Negro, was dead on arrival at St. Landry hospital, after suffering severe injuries, as a result of a three-car accident on SR 80 last Saturday night.

According to Constable Buford Prescott, the Patterson car, driven east at 35 to 40 miles per hour, was rammed from behind by a Hudson driven by Elgie Killings, South Bay Negro. The impact knocked the other car across the road, sideswiping another car, and careening on into the pine trees.

Elgie Killings, who fled the scene of the accident, was picked up in early Sunday morning by a patrolman of the Police Ben E. Davis, who was on duty in South Bay.

He was turned over to Prescott and lodged in county jail, charged with reckless driving, causing an accident and leaving the scene of an accident.

Prescott is now pending investigation on manslaughter charges.

RAMS PLAY TIGERS

(Continued from Page One) ground but may have trouble, dropping their passing combination of Davis and Sage.

Word comes from the practice field that the Rams, eager to start for their back home against the Green Waves, have been at it "hammer and tongued" all week. After a spirited "head knocking" session Monday, Coach Peacock pronounced it the best practice of the season.

Glen Cartaway was declared ineligible and has moved to Clewiston, but Johnny Miller has returned to the fold and seems raring to go. He'll make his presence felt vs. Clewiston.

Wayne Mock and Earl Armstrong have possibly not recovered from injuries received last week and may not see action Saturday night. Dan Jones seems most likely to take over the left halfback position. L. P. Jones will handle offensive line and if Armstrong is not able to play.

LEGION AUXILIARY

(Continued from Page One) Barbecue to be held on Oct. 9. Mr. Jones also showed a picture of the fleet that Post No. 20 has entered in the American Legion National Convention parade.

Due to the Convention the joint meeting of the Legion and Auxiliary for the month of October will be postponed.

It was announced that the Legion and the Auxiliary will sponsor a Bingo game at the Veterans Hospital in Coral Gables on October 17, at 7:00 p.m. For transportation please contact Ruth Pentz or Jane Bashley.

Helen Lanier was appointed Chairman to fill a vacancy. Greafle York and Effie Allen were hostesses for the evening.

F. F. A. NEWS

Tuesday night the Belle Glade Chapter of the Future Farmers of America opened their second meeting for the school year. President John Paul Jones presided.

The first item of business that came before the house was a motion that the chapter borrow \$7,000 in order to buy cattle. For security, the chapter is putting up the cow and calves they now have and a savings certificate.

NO TRACE OF STOLEN CAR HAS BEEN FOUND

No trace has been found of the Fairlane Ford Sedan, belonging to Mrs. Uebera Caruthers, stolen from a parking space at Pioneer Motor Co., last Monday night, according to the Florida Highway Patrol Office, late last night.

Report of the stolen car was dispatched to all Florida Highway Patrolmen and stations at 10:49 on Monday night, Sept. 28. On two occasions cars, fitted the description were traced but were found not to have the same identification.

JENNINGS LOCKHART RETURNS TO FIELD OF EXPERIMENTAL WORK

Jennings Lockhart and family of wife two boys and a four-month-old girl will move to Ft. Lauderdale over the weekend so that he may commence work with Dr. Boyd in the Field Laboratory of the Everglades Experiment Station there.

Mr. Lockhart has been a resident of Belle Glade for 14 years, eight of which were with Dr. Walter Thames and Dr. Roy Blair in grasses and corn breeding.

When Lockhart terminated his position as foreman with Crow Cattle Company he joined the Lindsey Lumber Co., here, but found the call to the soil more satisfying.

Mrs. Jones Speaks To Chosen Garden Club

Mrs. Luther Jones gave an interesting demonstration and talk on flower arrangements and the basic need of making arrangements, at the first fall meeting of the Chosen Garden Club.

The group met at the home of Mrs. J. A. Pike with the president, Mrs. Dick Le Flap, presiding. Members brought flower kitchen arrangements, which the group discussed.

Presided over by Mrs. Walter Roth, Mrs. Solie Corbin, Mrs. Shelly Connell, Mrs. Hugh Dell, Mrs. Paul Kirchman, Mrs. J. W. Mrs. C. J. Aspey, Mrs. Irvin Zumpf and Miss Margaret West.

Mrs. Paul Kirchman will be hostess to the group at the next meeting on Oct. 18, at 3:00 p.m.

BPW FASHION SHOW

(Continued from Page One) given from Burdine's with Miss Burdine as narrator.

Miss Sara Lee Crecch, membership chairman, acted as hostess chairman for the evening. Presiding at the punch bowl were Mrs. Imogene Fontaine and Mrs. Audrey Jones. They were assisted by other club members in serving.

The Fashion Show was such a huge success that the BPW have plans underway for another show next year, including a larger and more expensive program.

EMINENT DOMAIN

(Continued from Page One) Cause, "Petition for Condemnation," "Declaration of Taking" and "Notice of Hearing."

... lands which he says, "there is one to acquire by gift or purchase."

There is one other widow, Mrs. Daisy S. Kurtz who is listed and who is known here; there are many "Mrs." prefixes before names.

Eminent Domain is the right of the government to take and use real property for the good of all, and the right is usually considerably exercised.

Mrs. Barstow states "I don't know what they want, whether they will take down the trees in my front yard, or what. No one has ever contacted me, nor have I been asked to make a gift sell."

Mrs. Kurtz reports, along with several others that agreements made in person about pumps and/or access bridges are disregarded or forgotten and notice to "vacate forthwith" have been served on her.

The Barstows have been in the Glades 30 years and are well known; the Kurtz family have been known in the Glades equally as long. Both families are well known as being affiliated with progressive improvements and growth in the Glades.

We don't know if the inclusion of these two widows and the circumstances of the decided necessity for suit indicates a suit-happy attitude of the new Board and its employees. We hope not.

LIONS HEAR TALK

(Continued from Page One) facts on reorganization of the sugar quota and its effect on farmers. A question and answer period followed his talk.

Members of the local Business and Professional Women's Club were also guests at the dinner meeting in commemoration of National Business Women's Week.

SOUTH BAY ELECTS

(Continued from Page One) He is a veteran of six months with the U.S. Marines, 19 months of which was on active duty in the South Pacific Theater, and was released from duty with the rank of sergeant.

Mr. Sullivan is married and has three children, Ray, Jr., Gail and Marian.

The family came to Belle Glade in 1947 and he was employed at Royals Store for three years. In 1950 they moved to South Bay and he is now employed at the Okeelanta Sugar Company.

Livestock Sales For Week Near \$76,000

Fifty Purebred unregistered Herefords, 25 steers and 25 heifers, will be sold next Monday at the Glades Livestock Market sale, according to manager George C. Young.

Young stated the Hereford sale was very successful, 183 cattle sold for a total of \$31,440.24.

Combined sales for Monday and Wednesday this week were 114 cattle for a total of \$75,912.93. Breakdown follows:

Monday, Sept. 28
960 cattle, \$64,922.41. 154 calves, 26 yearlings, 73 heifers, 267 cows, 441 steers, 4 bulls, 41 per cent of number and 41 per cent of money to slaughter.

Wednesday, Sept. 28
154 cattle, \$10,990.52. 10 calves, 1 yearling, 8 heifers, 90 cows, 34 steers, 11 bulls. 68 per cent of number and 61 per cent of money to slaughter.

LONG SEASON GETS

(Continued from Page One) rangers.

A report from the Teen-Age Center disclosed that they have \$1075 in the bank, and the report of Mrs. Ruth Wedgworth that the Center will, undoubtedly, carry it off.

The City Hall floors will be let alone in present condition for a while.

The leading zone ordinance setting the annual cost of \$100 was read for the first time; other regulations were altered slightly.

The City Manager will request permission to put traffic lights at the north and south ends of the City.

The position of Lieutenant of Police will have a base pay of \$290 per month, the recommendation of the Civil Service Commission that the position of investigator be created for the Police will have a base pay of \$240. The suggestion was made that the City Fathers should have full authority over the investigator. Reference was made about "getting this under the table." Interesting discussion is promised at next meeting.

Commissioner Livingston proposed a study to determine if the Commission meetings might be held at a time when prayer meeting folks could come to the meetings. That will be discussed further.

Livingston pointed out that "somebody is getting a first-class truck stop or filling station area provided at the City's expense" when a routine ordinance came up for confirmation of a previously committed agreement to accept an easement on approximately three acres in the northwest section for ten years, if the City will rock it. The provision that the owner may build on the area without hindrance from the users of the free parking area. That was tabled.

Although the meeting kept the interest of everyone after the routine work was done. Eager beaver and inexperience will afford interest to any spectator for the next several meetings. If you want to see Democracy working attend your City Commission meetings.

Hi School News

By FRANCES SLOAN

At the assembly on Thursday, Sept. 22, everyone was seated in alphabetical order, according to home rooms. Faye Herring, the Student Council Chaplain, led the devotionals. John Thompson, president of the Student Council, made some announcements, then turned the program over to Principal Frank Hobson. Mr. Hobson introduced the girl and boy delegates who represented Belle Glade High at Girls' and Boys' State this summer.

Frances Layfield, spoke first and Mary Belle Schechter ended their talk on the things they learned and saw during their stay at Tallahassee. James Chambliss and Leo James also gave talks on what they learned from attending Boys' State. All four delegates seemed to have gotten a lot and enjoyed these trips.

Wayne Mock and John Paul Jones, told the other students about their trip to the State Forestry Camp, near Lake City, this summer. They represented the Belle Glade Chapter of the Future Farmers of America. This camp was made up of FFA boys from all over the state and conducted by Forest Rangers. The class and home room

officers from the eighth through the twelfth grades were introduced, and the Junior Varsity Cheerleaders were chosen. These girls are: Jo Margaret Parson, captain; Karin Allison, Connie Kelley, Sarah Ann Norman, Wanda Brent, and Carole Neal Van Landingham.

Cochs Peacock explained a little about the Junior Varsity Football team, that is made up of boys mostly from the ninth and tenth grades. He also introduced Coach Charles Godwin, who in turn, introduced the Junior Varsity squad and announced their positions.

Mr. Jack McCaskill spoke on the Midget football team, which will be made up of boys, ages 11 through 14. He stated that their uniforms will cost about \$1,000, and that there is a need to work up more interest in this group.

Cochs Peacock also introduced the senior football players, and Miss Cynthia Slater, and the Varsity Cheerleaders.

Pop Rally

The first pep rally for the football season was called last Friday afternoon. The band played several marches and the band officers and solo players, were introduced by Bandmaster John Munroe.

Rev. U. W. Malcolm, pastor of the First Baptist Church, gave a skit on sportsmanship. He urged the students and the

citizens of Belle Glade to help our school win the sportsmanship trophy this year.

The cheerleaders led several yells, followed by a car parade through town.

Band Rules Established
A new set of rules for the members of the Belle Glade High School band to follow has been set up, by the bandmaster. The rules for the turnouts and public appearances are: (1) All band members will be at the appointed place at the appointed time, as prescribed by the bandmaster or his officers. Absence or lateness which is unavoidable must be excused prior to the turnout. (2) All band members will report to turnouts in proper uniforms and will remain in proper uniform at all times during the turnout, unless specifically given permission to do otherwise by the bandmaster or his officers. (3) No band member will play his instrument at any time other than at the times when the group is playing together, unless told to do so. (4) Band members will conduct themselves properly at all times when wearing the uniform. Impolite, unprofessional, vulgar, or unseemly language is unwanted, unnecessary and forbidden by this regulation. (5) Gripping in an open and loud manner is never warranted or necessary. It brands the entire group as

unruly and lacking in proper respect and manners. It will not be tolerated. (6) Band members will acquaint themselves with all standard operating procedures adopted by the band and will follow them unless told to do otherwise. Ignorance will be no excuse. (7) When on or in the vicinity of the playing field or other place of turnout, the band will move as a unit, rather than as a disorganized mob. (8) When the band is being transported to or from turnouts, members will conduct themselves in an orderly manner and in accord with high standards of conduct. Specific rules set up will be followed at all times. (9) During stop-overs and in place of business, the band will conduct itself in a manner which properly benefits the surroundings. Rowdy or over obvious conduct is forbidden. (10) In general, the band is to be looked upon as a respected group by all persons, due to the high codes of conduct and discipline. Any action which tends to reflect discredit upon the band or the school, not expressed in any other regulation is forbidden and is punishable under this regulation.

The set of rules for drills and rehearsals, will be published next week.

Some band promotions were made this week, along with some changed positions in the marching band. Cpl. Terrell Williams was promoted to sergeant, Pfc. Bill Van Landingham to corporal, Pfc. Doug Thompson to corporal and Jim Pope was promoted to the rank of Pfc. Those band members not in the marching band will not be allowed to hold rank. As of Sept. 26, all officers of the band either have new duties and responsibilities, or have been relieved. From now on the promotions will be given only to those who work the hardest and show the most improvement.

Faculty Picks Boys

In a faculty meeting recently, the boys to represent the Lion's and Rotary Clubs were chosen by the faculty. There are two representatives for each club, one going to each, both semesters. Representing the Lion's club for the first semester is Leo James, and the second semester is George Farnall. Donald Tanner is going to Rotary the first half of the year, and James Chambliss, will go the last half.

Council Makes Rules

In a meeting of the Student Council Monday, they set up a list of rules pertaining to how

the students will conduct themselves in the Rambler, which is the new Teen-Age Center. The rules are as follows:

1. Girls will not be permitted to wear shorts to the Rambler at night; dungarees and dresses will be worn.
2. The high school (ninth thru twelfth grades) and college students will be the only ones allowed in the Rambler at night.
3. No profane language will be allowed.
4. The Rambler will be open till 9:30 p.m. on week nights, and open till 11:30 and 12:00 p.m. on weekends.
5. The Rambler will be open on Monday, Tuesday, Friday and Saturday nights.
6. Anyone who abuses any property in the Rambler will not be allowed back in, for one week, or longer.
7. Eighth grade students must be chaperoned to the Rambler at night and aren't allowed to stay.

8. The Rambler will be open at 4:00 p.m. on Saturday afternoons for the Junior High Students.

GOVERNOR OF JAMAICA
SIR HUGH FOOT will be principal speaker at the annual banquet of the 12th annual Convention of the Florida Fruit & Vegetable Association at Hotel Fontainebleau, Miami Beach, on Oct. 5, 1955, according to George Cooper, Princeton, convention chairman.

"We are honored to have received an acceptance from the Governor of Jamaica to speak at the annual banquet of this Association."

Sir Hugh, a noted speaker, will present a message of wide interest to every guest and member," said Cooper.

Sir Hugh, whose official title is Captain General and Governor-in-Chief of Jamaica and its dependencies, is 47 years of age. He has had 25 years of service in different parts of the British Commonwealth and has acted as Governor of Cyprus and Governor of Nigeria. He was in Jamaica as Colonial Secretary from 1945 to 1947 and acted as Governor of Jamaica in 1948.

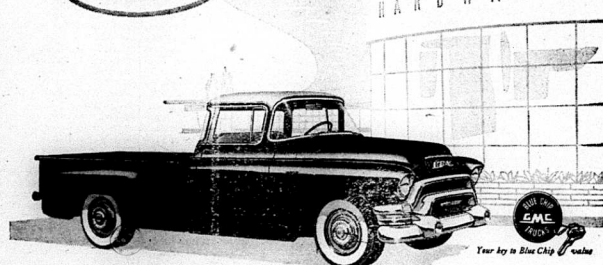

"In 1951, at the age of 43, Sir Hugh was appointed Governor of Jamaica, Jamaica's agricultural and industrial activities have advanced markedly during his service there," said Cooper, in outlining the career of the Governor.

Local Girl Enrolls At Wesleyan College

Miss Mary Claire Crider, daughter of Mrs. W. F. Crider of 125 N.W. Ave. H. Pl., Belle Glade has arrived at Wesleyan College and is taking part in the busy Freshman Week of one of about 200 young ladies from all over the Southeast who make up the freshman class at Wesleyan, which is the oldest college chartered to grant degrees to women.

Miss Claire was graduated last June from Belle Glade High School. She is now living in Persons Hall, which is in the center of Wesleyan's beautiful campus on the outskirts of Macon.

One of the most famous hostesses in the state is the famous Clewiston Inn, owned and operated by the U.S. Sugar Corporation.

It puts your business on Quality Street

While the prosperous looks of this Blue Chip GMC build reputation, its performance builds profits. The ability of its 155-H.P. V8 engine, the strength of its construction, and the savings of its Hydra-Matic Drive* add up to a great buy. See us about one!

DITHANE M-22

helps

boost tomato yields in three big ways

Newest member of the famous fungicide family, DITHANE M-22 (maneb) has already shown how it helps tomato growers get higher yields—more marketable crates per acre.

DITHANE M-22 boosts yield and quality three ways:

1. It gives outstanding control of late blight and also protects effectively against all the other major tomato diseases—anthracnose, early blight, Septoria leaf spot, gray leaf spot, and gray mold.
2. DITHANE M-22 is safe for blossoms, fruit, and vines when used as recommended.
3. It helps the vines stay healthier, with rich green foliage.

Add these advantages together, and it's easy to see why fields protected with DITHANE M-22 yield more and better tomatoes at picking time. To top it off, DITHANE M-22 is now conveniently packaged in two bag sizes that contain just the right amount of spray powder for any standard tank capacity. It's also available from your local dealer as blended dusts with or without insecticides.

MR. SEAL AND MR. BYROM (right) are shown in one of the more than 200 experimental variety ramie plots at the Everglades Experiment Station. "It's great to be an American," C. C. Seal told local Rotarians Friday when introduced by Mills Byrom as a "NEW Citizen." Mr. Seal is a native of the Barbados and came to this country first in '26 as a student. He returned in '45 and applied for citizenship papers in '51. His final papers were received recently. Mr. Seal is an agronomist, a graduate of the Imperial College of Tropical Agriculture and has studied in this country. He is particularly interested in fibers and devotes considerable time to ramie. The ramie in the background, all of eight feet tall, is a special selection in the search for varieties. Mr. Seal's statement about his pride in being an American carried with it a sincerity and feeling impressive to all who listened.

SARASOTA TERRACE HOTEL EXTENDS SUMMER RATES

Until New Year's Day 1956, a bargain package deal at the New Sarasota Terrace Hotel here offers a double barreled way to save dollars.

A Sarasota Terrace advertisement clipped from this newspaper will save \$3.00 on the purchase price of a Sun-O-Rama tour to the hotel for 7 days and 6 nights.

Present the advertisement at any travel agent or the hotel itself and \$5.00 comes off the bargain price of \$34.00 for 7 days and 6 nights.

The new offer follows a "No Sun—No Pay" proposition made recently by C. V. Griffin, owner

of the hotel.

"From now until Dec. 31, I won't charge for hotel rooms on the Sun-O-Rama tour any day the sun fails to shine," Griffin said.

For the first time, Florida's bargain summer rates are extended until past the Christmas Holidays.

QUINCY FFA DAIRYMAN COMPETES FOR NATIONAL DAIRY FARMING AWARDS

George Ford, 19-year-old Quincy FFA member will represent the Southern Region in competition for the FFA's national Dairy Farming Award at the National Dairy Congress in Waterloo, Ia., on Oct. 3.

Ford is one of four representatives chosen from applications submitted by State Dairy Farming award winners throughout the nation, and \$1,000 worth of prizes will be awarded to winners.

One of them will be named national Star Dairy Farmer and will receive a cash award of \$250. Each of the other three will receive a regional prize of \$200. The national FFA Foundation which provides the awards also gives a \$250 travel fund to be divided among the four boys on the basis of distance traveled to Waterloo.

The Dairy Farming award is open to active members of the FFA who were students in vocational agriculture in high school last spring when their applications were entered in the local, state and national competition. The Foundation already has presented nearly 5,000 awards to local dairy farmers, and cash prizes of \$100 each to 46 boys who were declared winners of the FFA dairy farming contests in their respective states.

The Florida entry, George Ford, was graduated from Quincy High School last spring. Through farming programs carried on as a part of his course, he has developed a dairy herd of 32 cows and 19 young stock of his own, and farmed 110 acres of rented land to local pasture and hay crops and corn for feed and grain. His senior year program also included five acres of truck crops, 175 chickens, and eight hogs. He owned about \$1,000 worth of dairy equipment, and a tractor with implements valued at \$1,750.

Following his graduation last May, he entered a full 50 percent partnership on the 260 acre home farm with his father, W. L. Ford. Dairying is the principal enterprise on the farm, and they rent an additional 200 acres to grow feed crops for the cattle. They have about 100 cows producing milk at the present time, out of a total herd of 200 animals.

Modern equipment is used for producing Grade A milk. George initiated the use of milking machines and milk coolers on the farm. He started the use of artificial insemination and proven sires to build up the quality of the Jersey herd, and he has been responsible for much of the work of developing a year-round grazing program through planting improved grasses, legumes, and small grains. Use of silage for economical feeding was another practice that George introduced to his home farm.

The youth had the backing of Mr. Ford to get a running start in farming. His father, who also had been a member of the FFA during his high school days, gave George a heifer calf when the boy was in the fourth grade. George has plowed all his profits, natural increase, and borrowed capital, plus a lot of hard work, into the expansion of his program.

His achievements have won wide recognition. In 1954, he was named Florida's Star State Farmer (best in farming and leadership); his room is filled with ribbons and trophies won exhibiting his cattle at fairs and shows. George was elected vice-president of the Quincy FFA Chapter for two successive years and has been a member of the school's livestock judging team for the past four years.

WHAT 100 NEW FAMILIES MAY DO TO OUR CITY

What happens when a hundred new families arrive in a medium-sized city? To begin with, it means about 450 new people, including 100 children, 67 in grammar school, 33 in high school. This calls for 2.2 new rooms in grade school and 1.65 new rooms in high school, which will cost about \$120,000. Four new teachers will have to be hired. The 100 families will add about \$30,000 a year to the school operating budget.

Besides teachers, the city will need four fifths of a new employee in the police department and two thirds of a new fireman, upping the police budget by \$4,510 and the fire department budget by \$3,820. All sorts of extra jobs will have to be done from collecting taxes to collecting garbage. Add four new

city employees at a total price of \$12,000 to \$15,000.

The water department must pump 10,000 gallons more each day. Traffic will be increased by 140 cars and trucks. And the city may have to add 500 new volumes to the city library, part of a visiting nurse and, yes—a fraction of a cell in the town jail! — (From Changing Times)

Beta Sigmas Honor Mrs. R. Wedgworth

One of the first outstanding social events of the fall season was staged Sunday afternoon at the Municipal Country Club, at a ceremony conferring an international honorary membership on Mrs. Ruth S. Wedgworth, followed by a tea in her honor. She is the third Florida woman named by the International Executive Council of Beta Sigma Phi to be so honored.

Mrs. Francis W. Cross, Jr., president of the local Beta Xi Chapter presided over the ceremony and welcomed all representatives of each chapter. Mrs. Rosa Nash, president in 1954-55 under whose tenure of office the project was begun, presented a life history sketch of Mrs. Wedgworth patterned after "This is Your Life," of TV fame. She was assisted by Mrs. E. F. McAllister, Mrs. Thomas Chapman, Mrs. Milton Carpenter, Mrs. O. G. McWhorter and Mrs. Cross.

Mrs. Wedgworth was presented with a full-jeweled badge

READY TO TAKE OVER—New Future Homemakers of America officers are left to right, seated, Jane Steele, Betty Phillips, Milven Hemphill, Leoda Throop, Elizabeth Barber, Standing, Frances Layfield, Carolyn Miller, Louise Stroble. (Not shown Janice Cole and Esther Bailey.) Last Monday night the FFA Girls had their first official meeting of the old and new officers. The old officers related duties and the new group under the instruction of Mrs. Hazel Litchfield are ready for the new year.

from the local chapter by her daughter, Mrs. Joe Tom Boynton of Pahokee, a member there, assisted by her daughter-in-law, Mrs. George Wedgworth, member of the local club.

Miss Dorothy Chastain, president of the Beta Omicron Chapter of Pahokee, and Mrs. Jimmy Williams played background music throughout the ceremony and tea. Mrs. John Munroe sang, "The Song of Friendship," accompanied by Mrs. Williams at the piano.

In the receiving line were Mrs. W. F. Cross, Jr., Mrs. J. E. Jones, Mrs. Louis Kirchman, Mrs. Howard Payne, Mrs. Rosa Nash, Mrs. Earl Lindrose was in charge of guest book.

The club room was decorated throughout with arrangements of yellow flowers with special arrangement of crotons and yellow chrysanthemums decorating the mantle.

Tall baskets of yellow roses and yellow hibiscus flanked the ritual table, which was laid with a cut-work embroidered white cloth centered with a silver bowl holding long stemmed yellow roses, flanked with candelabra holding black tapers. A. P. Hopson decorated the taper of the 3-taper candelabra with a spray of waxed yellow roses, lilies of the valley, starting with large one and ending with small ones. A silver coffee and tea service completed the service.

Presiding at the service were Mrs. Frank Anderson, Mrs. George Wedgworth, Mrs. Clyde Clayton, Mrs. Milton Carpenter. Guests were present from West Palm Beach, Lake Worth, Clewiston and Pahokee.

Applications for an assistant counselor for the county juvenile department—a post authorized in the county's new budget, are being sought by the county. Applicants for the job, which pays \$300 a month, must have

An important point about stock car racing that may not have occurred to you:

The safer car wins... and Chevrolet is the big winner

Auto races aren't won by brute horsepower. Roadability, acceleration, precision steering and stamina — the very qualities that make a car safer for you — are the keys to victory on the track! And that's why Chevrolet is top car, by far, on the NASCAR (National Association for Stock Car Auto Racing) Short Track circuit.

Faster acceleration means faster passing

Chevrolet's cannonball acceleration has punched past many a bigger car to victory. But the same blazing surge is a vital safety factor on the highway — one that can whisk you more safely around other cars and out of critical situations.

Easier, super accurate steering

Nimble is the word for Chevrolet. But you don't have to see them in action on a tight quarter-mile track

to judge how they make other cars seem clumsy. You can feel that yourself in the press of traffic, and sense the feather-light precision of Ball-Race steering in every curve. There's extra safety, too, in Glide-Ride front suspension that soaks up the harshest bumps — that lets your car "keep its feet under it" for maximum traction on the roughest roads.

More stability on curves

Chevrolet's famous stability means money in the bank to the race driver — it lets him broadside through turns faster and smoother. But it means peace of mind to you on the road — more comfort in every curve and less body-roll with broad-based Outrigger rear springs, extra security if you have to swerve sharply to meet an emergency, a solid "one-piece" feel that is a delight to any driver.

The ability to slow down and stop quickly and smoothly

Those big 11-inch brakes have averted many a disaster in the close-packed battle of racing. But they weren't designed for that; they were made to give you "heads-up" stops and extra stopping power in traffic, on mountain grades, on high-speed expressways. Competition has merely proved their margin of superiority!

Come in and try out this new winner yourself... and see how easy we're making it to buy a Chevrolet right now!

A growing list of Chevrolet victories in stock car competition
